### *The Celebration of Lessons and Carols And Tree Lighting Ceremony Sunday, December 5<sup>th</sup>, 2010*

The Festival of Lessons and Carols is one of the most cherished traditions of the Christmas season. The Festival of Lessons and Carols, which is a traditional candlelight celebration in anticipation of the coming of Christmas, creates an event that carries its audience from prophecy to fulfillment, from Old Testament foretelling to birthday celebration

We are invited to experience and to be exposed to the finest Christmas music, the feeling of wonder and awe when walking near, by, or in the Catholic churches to attend Christmas Services and Concerts.

Lessons and Carols might be a nice way to begin focusing our attention on the wonderful seasons of Advent and Christmas that we will experience pretty soon.

***To make this possible, the Ushers will be standing at the doors to collect your donations for our 1st Annual Lessons and Carols to buy lights, angels and reindeers. Let's get ready to sing!***

### We Catholics..... Believe in

The two commandments of love

- ◆ You shall love the Lord your God with all your heart, with all your soul, and with all your mind.
- ◆ You shall love your neighbor as yourself.
