SACRED HEART SCHOOL NEWS SEPTEMBER 2010

Our school year has gotten off to a wonderful start. We have been welcoming each other, celebrating each other’s newness and belonging. We began our school year with prayer and celebrated our first Mass together with Fr. Patterson. We hope this year will bring great learning and excitement to us all. We are already working very hard preparing for the Terra Nova Standardized Test. We have begun our fund-raising with our chocolate drive and have continued our Pennies for Sacred Heart campaign.

We are looking forward to special programs and assemblies that will start shortly.

We are starting an after school walking club and continuing our Lacrosse team effort that Mrs. A. Murphy began last year for the boys. Volleyball fun is in store for our girls with Mrs. Daniels. We have a new after school Art program with Mrs. Sass as well as many other activities planned for our Fun Fridays of gym and enrichment.

As usual, our Music program is full of enrichment. We are developing our brass band, preparing many piano recitals and a variety of choir and musical presentations directed by Mrs. Pierre, Mr. Capobianco and Mr. Schtynman.

At the heart of all these programs and activities is sharing our Faith. We believe the Lord put us here and has kept us here to bring about his kingdom in Cambria Heights. We are striving to live our faith and give the Lord glory through our efforts to be one in faith...to instruct, instill and inspire. =

SAINT FRANCIS OF ASSISI

When Franco Zeffirelli's *Brother Sun, Sister Moon* was released (1972), people were shocked by the movie's graphic nudity in the dramatic conversion scene. Son of a wealthy merchant, Francis' aimless adolescence ended when a failed military expedition led to his imprisonment and complete breakdown. Once home, Francis rediscovered God in the beauty of nature and the ugliness of human suffering, caring for lepers, praying in the little church of San Damiano, whose crucified Jesus he heard calling, "Repair my house, Francis, which is falling into ruins." Francis sold his possessions—and his father's—to fulfill this command. When his father objected, Francis disrobed: "I return the clothes, your name, and all you gave me: God alone is my Father now." Later, the pope would dream of a ragged friar stretching forth a single hand to prop up the crumbling papal Cathedral of Saint John Lateran. Francis indeed helped rebuild the universal Church, founding the Friars Minor (Franciscans), dying at a young forty-four, bearing the stigmata of the Christ whose living icon he remains—in the Church and far beyond it.
